

OUI
J'AI MON BAC!

FOR RESIDENTS OF THE S SECTION

**HOUSEHOLD GARBAGE
COLLECTION EVERY
TWO WEEKS BEGINNING
SEPTEMBER 28**

Beginning September 28, only your grey bin will be accepted for the household garbage collection. Here is the essential information you need for efficient and worry-free garbage collections.

Only grey bins with the Brossard logo will be picked up.
(max : 100 kg / 220 lbs)

Surplus garbage placed beside the bin is forbidden.

Only bulky items destined for landfill (large items such as sofas, mattresses, carpets...) are accepted beside the grey bins.

The bin, with cover closed, must be placed near the curbside, either on your land or in your driveway, so as not to obstruct the street or the sidewalk.

The bin must be placed near the curbside after 8 p.m. on the evening before collection, or before 7 a.m. the day itself.

To learn what materials are forbidden in your household trash, visit brossard.ca/GMR.

Moving: When a resident moves, he or she must leave the grey bin behind because it contains a serial number paired to the address not the occupant.

Overlooked bins: If your grey bin is not emptied on collection day, contact Services Brossard.
